Dear Roberta:

This is a very belated thank you for all of the help you and your staff gave me during the time I was working there. I'm very, very grateful. And confident that your pre-1801 New Jersey holdings have been pretty comprehensively recorded.

It has taken me a few weeks to collate all of my Boston notes from MBAt, MHi, and MB with my own database. As we discussed when I was there, I am attaching a list of those pre-1801 N.J. items (only four) that you are supposed to have but which I was unable to see when I was there. Those you are able to locate I can go over with someone there on the telephone and I can then record them. I don't need to physically see any of them.

One other thing.... I met and spoke briefly with a young woman who was responsible for John Adams' library. I have another question for her re JA's library. Could you tell me her name (again) and give me her email?

Again, many thanks Roberta. Now please let me do something to repay your kindness. If you ever need anything looked at or bid on at any of the major (Christie's or Sotheby's) New York auctions, just let me know and I'll preview it and do the bid(s) with my compliments. I attend all the major NY sales. Or anything else rare-bookish I can do for you.

Joe
